The Michael Quinlan Brain Tumor Program graciously thanks **Gilda's Club Louisville** for its generosity in providing space once a month for the educational brain tumor support group.

The Michael Quinlan Brain Tumor Program is located at the Brain Injury Alliance of Kentucky in Louisville, right next to the KIA Store at 7321 New LaGrange Road, Suite 100.

**Gilda's Club Louisville** is located on Baxter Avenue just two blocks north of the Broadway and Bardstown Road intersection. Parking lots are located behind the **Gilda's** Clubhouse off Rogers Street or directly across from it on Baxter Avenue.

This is a special collaboration between two community nonprofits. We are pleased to work together to provide a worthy service for our local brain tumor population.
