

EVALUATION FORM

BRAIN INJURY ALLIANCE OF KENTUCKY

Topic: 2025 BIAK Brain Injury Summit

Speakers: Caitlin Synovec, OTD, OTR/L, BCMH; Patricia Garcia, PsyD, HSPP;
Monique R. Pappadis, PhD, MEd, FACRM; Whitney Rebholz, PhD

Date: February 28, 2025

Objectives: At the completion of this program, participants will be able to:

1. Describe how social determinants of health (SDOH) impact recovery and housing stability in people with a brain injury.
2. Identify at least 2 strategies that can be used within their day-to-day settings to support people with brain injury experiencing housing instability or homelessness.
3. Describe the challenges associated with the evaluation of the multicultural/bilingual adult patient.
4. Apply clinical strategies for achieving a culturally competent assessment.
5. Describe the role of health literacy in care and outcomes after brain injury.
6. Apply and demonstrate how to incorporate health literacy strategies in brain injury care and services to support persons with brain injury and their care partners.
7. Describe the psychosocial challenges that individuals with TBI may face.
8. Identify evidenced-based therapeutic approaches to addressing mental health concerns after TBI.

Scale: 4 – Excellent / 3 – Good / 2 – Fair / 1 – Not Applicable
