

# ARE YOU A KENTUCKY DRIVER WITH A BRAIN INJURY OR OTHER COMMUNICATION BARRIERS?

## THE BRAIN INJURY ALLIANCE OF KENTUCKY HAS RESOURCES FOR YOU.

### SPECIAL ALERT CODE

Kentucky drivers with communication barriers can now request a special code be added to their vehicle registration that alerts law enforcement to potential challenges and communication barriers before they approach your vehicle.

#### Benefits:

- Keeps drivers and law enforcement safe
- Only seen by County Clerks and law enforcement
- Free and optional to sign up

For more information and to add this code to your vehicle registration and license, scan the QR code:

### BRAIN INJURY ID CARD

At the Brain Injury Alliance of Kentucky, we offer a free and customizable Brain Injury ID Card to help survivors share how their emotions, behavior, and cognition may be impacted by their injury.

Combining the Brain Injury ID Card with the communication barrier code can help to reduce misunderstandings and improve driver safety.

For more information and to customize your own Brain Injury ID Card, scan the QR code:
